

MIDDLESEX UNDER 25'S

Team Manager (John Sweeney (Hendon BC) – 07942 646567

The Future starts today.

Welcome to the new page dedicated to Middlesex's young stars. It will offer details of upcoming fixtures, reports on Under 25 achievements and squad biographies. Team Manager John is keen to hear either from any club that has under 25 players or directly from the players themselves as he looks to build an under 25 squad.

Middlesex are delighted to have a player of John's calibre offering his services to the younger players in the County. John brings with him a back catalogue of experience that cannot be matched within the County with around 40 years of playing at the top level and qualifying for National Championships.

John is now brimming with enthusiasm to pass that experience onto the next generation. He will be organising coaching days, squad get togethers and matches against other clubs and Counties together with participation in the National White Rose Competition for Under 25 single rinks. Alongside the Senior Squad Manager Darren Gosnell, John will be actively promoting a pathway for younger players to participate in the Home Counties League and Middleton Cup.

The sky really is the limit for our young stars and John will be welcoming players of all levels, right from beginners through to International Stars. Remember for an illustration of what can be achieved you only have to look at Hendon's Glen Adams who is now both a Junior and Senior England International.

For 2019 John has been successful in obtaining £5,000 in corporate sponsorship for the under 25's. This grant will be used to supplement costs for accommodation, transport, bowls equipment (if required), coaching sessions etc. for any under 25 player, either male or female who qualifies for the National Championships at Leamington.

If you want any further information on what John is going to be offering please do not hesitate to contact him via the various options above.
