

NEW SHIRTS FOR 2022

This season the Middlesex Bowling Association is pleased to confirm that it will be debuting it's new shirt.

The shirt, pictured below, will be worn by both the Ladies and the Men and in time through all levels of the Association from friendlies right up to Balcomb and Walker squads.

Currently the finishing touches are being put to the shirt and an order placed. Shirts will be purchased that should be suitable for everyone from Twiggy right up to the person who ate twiggy!

With turn round time it is hoped the shirt will be available in time for the Middleton Cup and Johns Trophy games this season.

The initial purchase cost for a shirt will be £15, with 2nd and subsequent shirts available at £20.

The County has decided not to purchase "Uniform" trousers / shorts but it is planned for players to play in Navy Blue, be it trousers, shorts, crop shorts or skirts. Bowls England versions would be preferred but any tailored item will be acceptable.

Now some of you may not wish to purchase new kit this season so it has been agreed that for the time being, should you wish to do so you can continue to play in Orange / red shirts and white below the waist.

It is hoped that in time everyone will convert to the new kit so that there is uniformity across the County on the Green.

Any questions please contact a member of the Committee.
